SHAM CALLS THE UMMAH OF ISLAM FOR GENERAL MOBILIZATION
STATEMENT NR: 002

Oh our estimated Ummah.

Five years after the righteous revolution by the people of Sham against the injustices of the regime of Bashaar and after their blessed Jihad, in which they have support their brothers the Muhajireen... years in which they opposed against the Nusairy regime, its Safawy allies which have shed much of their blood and the Russian occupation, which killed them from the air, is for anyone who is not blind, as clear as the sun at midday become what a dangerous state, the current situation on the ground adopted in Sham.

This specially after the nations have gathered against them. And because of this Jaish-ul-Fath has officially called the Islamic Ummah, with their young men, their scholars, their professionals and their affluent to a general mobilization (general disengagement).

So fear Allah regarding Sham, Oh Nation of Islam. There is no excuse for you infront of Allah, when the blessed land falls into the hands of the enemies of Islam. The locally responsibles calling you to disengage and so one wonder by Allah, what should happen more?

Sham is the beating heart of the Islamic Ummah. What now coat this heart with evil, will inevitably spread to the entire body. Then do not be surprised by the Iranian invasion, which is already expected to the countries of the Muslims and possibly also their Ka‘bah.

We, Al-Muhajiroun, join hereby with our voice to the call by Jaish-ul-Fath for general mobilization.

Allah is the greatest and the victory will be with the Ummah of Islam ...

﴾If you do not aid the Prophet - Allah has already aided him when those who disbelieved had driven him out [of Makkah] as one of two, when they were in the cave and he said to his companion, „Do not grieve; indeed Allah is with us.“ And Allah sent down his tranquillity upon him and supported him with angels you did not see and made the word of those who disbelieved the lowest, while the word of Allah - that is the highest. And Allah is Exalted in Might and Wise. Go forth, whether light or heavy, and strive with your wealth and your lives in the cause of Allah. That is better for you, if you only knew.﴿ 9:40-41
